Entry to competition

Full & Provisional Members of the Club (excluding Directors and Staff) will be eligible to participate in the draw.

Minor Draws – How the winner will be determined

Every time a member swipes their membership card daily in the Rewards terminal they receive an entry into the minor cash draws for the Members Badge Draw promotion. By placing the ticket issued in the specially marked barrel and being present at the Club from 6.00pm on the Wednesday of the next members Badge draw they will have a chance to win \$50 cash. The first valid entry drawn from the barrel if present in the Club and claims prize within four minutes will receive the \$50 cash upon presentation of a valid membership card. If the winner is not present the amount will jackpot by \$50 to the next draw at 6.20pm. This jackpotting process continues until the money is won. When this occurs the start amount of \$50 applies and the process continues over again.

Further draws will be conducted at 6.40pm, 7.00pm, 7.20pm, 7.40pm, 8.00pm and 8.20pm each week.

Entry tickets for current weeks minor members swipe & win draw will be issued up to 8.15pm on the night of each draw. From this point all tickets will be for the following week. This also applies for the 4 x \$5,000 draw and end of permit draw.

Each week after the 8.20pm draw the barrel will be cleared of all entries and the next weeks entries will start to be issued via swiping member's card from the Rewards terminal (barrel will not be cleared of the week \$20,000 is to dispersed and on the draw night the permit expires as per below).

Approximately 500 tickets will be issued each week.

Major Draw (How Winner will be determined)

At 8.30pm the major draw takes place using a random number generator with the first paid member number as the start point and the last paid member number as the finish point. This prize commences the first week at \$5,000. The member must be on the premises at the time of the draw and present themselves to the compare within four minutes with a valid membership card. If not, the prize jackpots by \$1,000 each week until \$20,000 is reached. Once the draw has reached \$20,000 and has not been claimed it is held at this figure until the next draw within four minutes of drawing a membership number the \$20,000 will be split into four \$5,000 amounts. From 8.35pm on this night membership numbers will be drawn from the random number generator and each member called will have four minutes to claim one of the \$5,000 prizes and must produce a valid membership card. If these four \$5,000 are not claimed, then membership numbers will be drawn from the Minor Members Swipe and Win barrel and the person drawn has four minutes to claim the prize. This process will continue until all of the four \$5,000 prizes have been distributed. Members must be on the premises at the time of the draws to claim a prize. Every time the membership draw is won the starting value of the draw for the following week will be \$5,000.

Final Draw – Permit Expiry

The following draw details override the normal draw procedures for the final draw night only.

On Wednesday 20 April 2011 whatever the value of the members draw at this date will be given away. At 8.30pm the draw will take place. The member must be on the premises at the time of the draw and present themselves to the compare within four minutes with a valid membership card. If the prize is not claimed within this time frame another membership number will be drawn and again they will have four minutes to claim this amount. This process will continue until 9.30pm (approximately).

In the event that the prize has not been claimed by 9.30pm a ticket will be drawn from the minor members Swipe & Win barrel used that night.
